<b>Shipping Quantity:</b>	Sold as singular unit
<b>Packaging Information:</b>	
<b>Packaged Weight:</b>	0.0905 kg / 0.1995 lb
<b>Packaged Length:</b>	175 mm / 6.8898 in
<b>Packaged Width:</b>	40 mm / 1.575 in
<b>Packaged Height:</b>	40 mm / 1.575 in

### Sales Description:

*NOTE: this copy can be used in brochures, catalogues or online*

### Replace the pH probe rather than the whole Bluelab® Meter

The Bluelab® pH Probe is a replacement pH probe suitable for use with Bluelab® products that use a BNC fitting.

pH probes have a limited lifespan, they age with everyday use. With proper care and use (keeping the probe tip hydrated and cleaning once a month) you can extend the probe life.

The pH probe tip should be stored in KCl solution to minimise the contamination of the gel.

### Features:

- Easy to clean
- Gel filled (non-refillable)
- Double junction reference
- Waterproof cable joint
- Probe holder included – keeps probe secure
- Quality BNC connection
- 2 meter / 6.5 foot standard cable
